### **Repurposing Clothing/Fabric Supply List**

Don't buy a thing: from your rag bag to your precious stash of vintage cloth and clothing memorabilia (read: prom dress! wedding dress!), please bring your old textiles to use for your project, as many or as little as you wish. You are encouraged (but not required) to bring meaningful items that you are prepared to experiment with. Note: thick fabrics or knits are not recommended as they are difficult to sew by machine.

Other supplies and equipment:

Portable sewing machine and accessories (task lamp, extra machine needles, thread cutter)

Scissors

Threads, any color

Notebook and pen/pencil

Any other art and textile supplies for techniques you may wish to incorporate
