

“Eco Printing on Silk and Wool Naturally and in Color”
May 2024
Theresa Brown, Instructor

Students should bring:

- One-gallon empty water jug to use as a weight. (Can be filled at class)
- Leaves from your area
 - emphasis on high tannin leaves such as: maples, rose, hickory, sumac
 - interesting weeds.
- Fun additional plants (usually store bought) are eucalyptus and colorful flowers such as gerbera daises.
- No thick or woody plants or waxy leaves such as camellia.

Theresa will bring:

- Two hemmed silk scarves
- Two merino wool scarves
- Two silk noil scarves
 - unfinished edges
- All equipment and disposables
 - turkey roasters, dowels, twine, baskets, scissors, paper towels, latex gloves, rubber bands, plastic
- Mordants
- Use of pre-dyed color blankets,
- Information and summary sheets.
