

**“Discovery Through Felt: Sculptural Felting”**  
**September 2024**  
**Marjolein Dallinga, Instructor**

- One roll of bubble plastic (small bubbles)
  - 60 cm [24 inches] wide
  - minimum 3 meters [10 feet] long
- 2 big old bathing towels and one dish towel.
- 1 bars of olive oil soap, or other natural soaps...*no liquid soap please!*
- Paper scissors
- Fabric scissors if you have small pointy embroidery scissors.
- Two old nylon socks or other elastic material to use as ties.
- Box of pins and needles, darning needle
- Squeezable 500 ml [16 oz.] sport water bottle or felting “pear” [ball brause sprinkler]
- Measuring tape
- A notebook
- pencils
- permanent marker
- Small pieces (leftovers) of sheer fabrics and threads or loose fibers (small quantities)
  - fibers like silk, ramie, linen, cotton etc....*please bring natural materials.*
- Some yarn, like for knitting - *natural materials.*
- Rolling tool, like pool noodle or carton tube etc....approx. 60 cm [24 inches] long
- Two containers, (plastic or other material, approx. 1 gallon )
- **Wool**
  - Please bring carded and combed wool, roving and batts
  - You can bring all kinds of wool types, in different microns
  - As many colors as possible
  - You will need greys, black and white.
  - You don’t need enormous quantities of wool but try to have a nice variation of different wools and lots of different colors.
